Promoting locally produced product

9 - 10 February 2008

3.30pm to 9.00pm Saturday, 8.30am to 5.00pm Sunday

Whittlesea Showgrounds, Whittlesea

The Whittlesea Country Music Festival is the largest country music festival in Victoria, 2nd nationally to Tamworth. It attracts people of all ages, both locally and nationally, with a top line up of performers, the Victorian and National Country Music Awards and the Whittlesea Truck 'n' Ute Show.

The Regional Showcase marquee will be located on the main oval, between the main stage and the Truck & Ute Show. The Plenty Food Group working with Whittlesea Country Music Festival will be hosting a marquee for members to promote their product and business, with the opportunity to erect displays, provide samples and sell product. The marquee will have sides, electricity and washing facilities available, if you require additional resources, we can look into acquiring these too.
