

# Free Team Development Workshop

-a Practical Approach for SME's  
-fully funded by Enterprise Connect

**Is your team performing at its best all the time?**

**Does your culture foster Productivity and Positivity?**

**Are your people motivated and productive?**

***If these questions interest you register for this free workshop***

## Outcomes

**You will leave this workshop with the following:**

1. Assessment of your Team's culture today
2. Understanding of its strengths and weaknesses
3. Analysis of the impact of these results on your business
4. An improvement plan to action.

**Trainers** Garry Adams and Chris McLoughlin from Magellan Consulting Partners have worked with hundreds of teams across many businesses, large and small over the last 20 years, see their website- [www.magellancp.com.au](http://www.magellancp.com.au) and comments below.

*'Chris is one of the best Trainers I have ever seen; she is dynamic, experienced and very effective'. (Tina, a Participant in a Leadership Program in 2009)*

*'I worked with Garry for a period of two years. Garry is an excellent strategic thinker who has the ability to ask the right questions that really help others think through situations, determine the options and make good decisions.'* [Roger Evans](#), Director of Coaching, DBM

***This program is fully funded by Enterprise Connect, an Australian Government Initiative.***
