

# WorkSafe Session

Friday 12 August 2011, 7.30am to 9.00am

Presenters:

**Jim Konas - Director, Hellenic Cheese**

**Tracey Browne - Australian Industry Group**

This morning's session will take you through the first hand WorkSafe experiences of Jim Konas after a tragic workplace accident and provide you with up to date and relevant to information from the Australian Industry Group on the Work Health and Safety Act and OHS.

In 2008, a tragic workplace accident at Hellenic Cheese resulted in an employee losing a hand. Jim will speak of his experiences from the accident through to the final results of the court hearing and the ramifications for his business. This included working closely with and gaining support from WorkSafe with the claims process, keeping in touch with the injured worker, developing new improvements and gaining support in Court.

Tracey Browne, Manager National OHS Policy and Membership Services from the Australian Industry Group, will present on a range of issues associated with the new Work Health and Safety Act and workers' compensation.
