Event Overview

The Hon Alex Chernov AO, QC, Governor of Victoria

Helmeted Honeyeater

Spotted Tree Frog

Thursday 23 February 2012 will see The Honourable Alex Chernov AO, QC, Governor of Victoria, joined by Melbourne's most prominent business people, take to the greens in support of Zoos Victoria's Threatened Species Program.

Hosted at Growling Frog Golf Course in Melbourne's north, the Governor's Conservation Charity Golf Pro Am provides an opportunity for Australia's up-and-coming golf professionals to compete at the Graham Marsh designed championship golf course for a total prize pool of \$15,000.

The business community and the general public are also invited to play alongside our future sporting heroes with a range of non-cash prizes on offer.

The event will comprise of two golf rounds (7:30am and 12:30pm starts) with teams of four per round. Each team will consist of a minimum one golf professional and three members from the business community or the public.

Drinks and canapés will be provided in the picturesque Growling Frog Restaurant, perched high atop the gently undulating course.

The Governor's Conservation Charity Golf Pro Am is a great opportunity to play alongside some of Victoria's best golfers and business leaders in support of a worthy cause.

All proceeds from the event will go towards Zoos Victoria's Threatened Species Program raising much needed funds to ensure that no more Victorian terrestrial vertebrate species become extinct.

Zoos Victoria is a not-for-profit conservation organisation, operating Melbourne Zoo, Healesville Sanctuary and Werribee Open Range Zoo.

Without conservation intervention, 20 species endemic to southeastern Australia could be lost in the next ten years.

The 20 priority species include Leadbeater's Possum, Tasmanian Devil, Orange-bellied Parrot, Southern Corroboree Frog, Eastern Barred Bandicoot, Spotted Tree Frog, the Regent Honeyeater, Southern Barred Frog, Northern Corroboree Frog, Grassland Earless Dragon, Brush-tailed Rock-wallaby, Smoky Mouse, New Holland Mouse, Guthega Skink, Alpine She-oak Skink, Stuttering Frog, Southern Bent-wing Bat, the Helmeted Honeyeater, the Mountain Pygmy-possum and Baw Baw Frog.

Donations to Zoos Victoria support the operation and expert management of these important programs. Zoos Victoria receives 30% government funding, and rely heavily on the support of the community and organisations to help become the world's leading zoo-based conservation organisation.

The Hon. Alex Chernov, AO, QC, Governor of Victoria is the official patron of Zoos Victoria.
